

LITTLE COMBERTON **STREET MARKET 2016**

THE RESULTS

The sun came out and so did the visitors..... A glorious day which resulted in us raising a very impressive £4,900 for our church and village hall - our best year ever.

Without the continued help of the committee, the long list of loyal helpers who continually offer their services as well as those new to the village, the event would not have been the success that it was. It's all about team work, and our team work tirelessly, hard and efficiently.

Thanks must be made to EVERYONE involved on the day, in the run up with preparations and the clearing up afterwards. A thank you to the residents of Manor Lane who open up their gardens and paddocks, and provide the much needed electricity supplies, and to Jamie Stephens for the use of his field for the car parking facilities.

I would like to thank all those that made cakes and made donations for our stalls, to Carol Rabbette for her military organised spread sheets and to Paul Rabbette Limited for allowing the office to become the Street Market HQ, again.....

A special thanks also to Mr and Mrs Watts for ingeniously organising a display of the country tradition of thatching. A number of visitors thoroughly enjoyed talking to the thatcher's on the day and commented that the 'live exhibition' certainly added to the whole event. It was just a pity we didn't have prior notice, so we could have included it in our programme and advertising campaign.

Once again, thank you all!

Lynne Yapp - Chairman
